

## SUBJECT INDEX TO VOLUME 43

### A

- Abdomen
  - injuries to, 164
  - operative complications
    - following radiation to, 234
  - subphrenic abscesses, 430
- Abdominal surgery, 395, 403, 421, 430, 460, 473, 505, 596
- Abnormalities and deformities
  - dermoid pancreatic cysts, 503
  - diaphragmatic hernia, 610
  - ectopic kidney, 123
  - Hirschsprung's disease, 283
  - osteochondroma, 471
  - skeletal, in nevoid basal cell carcinoma syndrome, 617
  - umbilicus, congenital anomalies of, 177
- Abscess, subphrenic, 430
- Adenocarcinoma
  - of intestines, 445
  - resection in the community hospital, 505
- Alimentation see hyperalimentation
- Amputation, 438, 488, 579
- Amino acids
  - concentration in blood after hemorrhage, 787
  - in parenteral nutrition solutions, 562
- Anastomoses, intestinal, 45, 55
- Aneurysm
  - abdominal aortic, 377, 407, 531
  - axillary arterial, 464
  - popliteal, 579
- Angina pectoris, 60
- Angiography
  - cerebral, occlusion of carotid artery during, 382
  - used to detect arterial ulcers, 242
- Ankle
  - fracture, supramalleolar, 589
- Anorectal surgery, 424
- Antibiotics
  - Minocycline in surgical infections, 413
  - Vibramycin after jejunal resection, 778
- Anus and perianus, cancer of, 424
  - quiz on, 480
- Aorta
  - aneurysm of, 377, 407
  - aortic arch, traumatically injured, 298
  - coarctation of, experimental, 771
- Appendectomy
  - in patients with salpingitis, 403
- Appendicitis, acute
  - associated with pregnancy, labor and the puerperium, 395
  - diagnosing, 399
- Arm see extremities
- Artery
  - abdominal aortic, 377, 531
  - aortofemoral prosthesis, 65
  - axillary, 464
  - axillofemorofemoral, 123
  - brachial, 464
  - carotid, 382
  - coronary, 60, 372
  - femoral, 211, 471, 565
  - popliteal, 303, 434, 579
  - renal, 186
  - subclavian, 220
  - trauma to, treating, 488
  - ulcers, shallow arterial, 242
- Ascites, control of, 520
- Atherosclerosis, 579
- Atherosclerosis obliterans in healthy young adults, 208

### B

- Bile ducts
  - perforation of, spontaneous, 524, 656
  - varices of, 686
- Biliary tract, 524
- Biliary surgery, 524, 656, 686
- Biopsy
  - mediastinal, 74
- Bladder surgery, 320
- Bleeding see hemorrhage
- Blood
  - amino acid concentration in, after hemorrhage, 787
  - circulation
    - arrest, aortic arch, repair under, 298
    - compartment syndromes, in leg, 303
    - effect of vasopressin on, 545
    - Microcirculation, 342
  - contribution of glucose to hyperosmolality of prolonged hypovolemia, 1
  - erythrocytes, oxyhemoglobin affinity, 835
  - fibrinogen uptake test for venous thrombosis, 119
  - transfusion of, autologous, 794
- Blood vessel shunts
  - aortic-bifemoral, 497
  - axillopopliteal, 65
  - bypass for ectopic kidney, 123
  - coronary artery bypass in the community hospital, 372
  - for axillary arterial aneurysm, 464
- Book reviews, 835
- Brain surgery, 336
- Breast cancer, treatment regimens, 86

Brunner's glands, of duodenum, hyperplasia of, 246

#### Bypass

- axillopopliteal, 65
- coronary artery, 372
- for ectopic kidney, 123
- intestinal, for obesity, morbid, 389, 467, 534
- pneumatosis cystoides intestinalis following intestinal, 467

### C

Calcium, hypercalcemia, 538

#### Calculi

- exostosis, 471
- gallstones, 524

#### Cancer

- abdominoperineal resection for, 505
- anal and perianal, 424
- breast, 86
- colon and rectum, 583
- esophagus and cardia, 92
- lung, 74
- melanoma, 77
- nevroid basal cell syndrome, 617
- pancreatic, 410, 660
- prostatic, 144
- thyroid, 159, 601

Carcinoembryonic antigen (CEA) in pancreatic carcinoma, 410

Cardia, cancer of, 92

Cardiac surgery, 129, 298, 372, 377

Carotid artery, occlusion of, during angiography, 382

Carotid body tumor see chemodectoma

Cefazolin, sodium, convulsions associated with, 417

Chemodectoma, 151

Chordoma, 631

Chylothorax, 292

Circulation see blood, circulation

#### Claudication

- of atherosclerosis obliterans, 208
- treated by bypass, 123

Teflon, 269

#### Clip

- silver, used to mark abdominal aortic aneurysms, 407

Colitis, ischemic, 137

Colon and rectal surgery, 483

#### Colon

- ischemic colitis, 137
- perforation, stercoraceous, 175
- plasmacytoma, 528

Colon and rectum

- acute necrotizing enterocolitis in neonates, 392
- cancer of, 583
- colonoscopy, 483

Colonoscopy, 483

Colloid osmotic pressure, determining, 342

Common bile duct

- perforation of, spontaneous, 524, 656
- varices of, 686

Community hospital see hospital

#### Congenital disorders

##### cysts

- dermoid, of pancreas, 503
- esophageal, 114
- Hirschsprung's disease, 283, 826
- osteochondroma, 471
- umbilical anomalies, 177

Continuing education see education

COP see colloid osmotic pressure

#### Convulsions

- associated with sodium cefazolin, 417

Cotton gown, use of, against operating room contamination, 52

#### Cryosurgery

- for prostatic cancer, alteration in host responsiveness following, 144

Cyanoacrylate sealant, in pancreatic biopsy, 807

#### Cysts

- dermoid, of pancreas, 503
- esophageal, 114
- pilonidal, 214, 517
- pneumatosis cystoides intestinalis, 467
- splenic, 171

Cytology, sputum, to

- diagnose hypercalcemia, 538

### D

Dacron grafts, 497, 565

#### Diagnosis

- colonoscopy, 483
- endoscopy, fiberoptic, in postgastrectomy syndrome, 287
- mediastinal biopsy, 74
- mediastinoscopy, 386
- of abdominal injuries, 164
- of axillary arterial aneurysm, 464
- of diaphragmatic hernia, 460
- of gastrointestinal bleeding, 217
- of esophageal cyst, 114
- of hernia, 627
- of Hirschsprung's disease by electromyography, 826
- of hyperparathyroidism, 538
- of pericarditis, 573
- of splenic cyst, 171
- of venous thrombosis, 119
- pancreatic carcinoma, elevated CEA levels in, 410

Dialysis see hemodialysis

#### Diaphragm

- hernia of, 460, 610
- subphrenic abscesses, 430

Disease, Hirschsprung's, 293

Drainage of subphrenic abscesses, 430

#### Drugs

- cefazolin, sodium, 417
- metoclopramide to treat delayed gastric emptying, 40

- minocycline, 413
- steroids
  - effects on rat pituitary, 351
  - in treating hemorrhagic shock, 30
- Duhamel operation, 283
- Dumping syndrome see postgastrectomy disorders
- Duodenum
  - Brunner's glands of, hyperplasia, 246
  - fistulas of, 666
  - tumors of, 445

**E**

- Editorial, guest
  - Education with a twist or some innovative techniques for improving your surgery residency, 363
  - Remarks by Benjamin F. Rush, Jr., 543
- Education
  - continuing review articles
    - cancer of anus and perianus, 424
    - critical wounds of the liver and juxtahepatic veins, 692
    - vascular injuries to the extremities, 488
  - medical, 363, 543
- Electromyography, 826
- Embolism
  - brachial, 464
  - of upper extremity, 464
- Endarterectomy for carotid artery occlusion during endarterectomy, 382
- Endometriosis, extraperitoneal inguinal, 421
- Enteric alimentation see hyperalimentation
- Enterocolitis, acute necrotizing, in neonates, 392
- Epilepsy, surgery for, 336
- Esophagus
  - cancer of, 92
  - cysts of, congenital, 114
  - reflux, complications
    - of repeated operations to control, 203
- Exostosis, 471
- Extremities
  - lower
    - ankle, supramalleolar fracture of, 589
    - compartment syndromes in leg, 303
    - perforating veins of, 279
    - popliteal aneurysms, 579
    - popliteal artery, trauma to, 434
    - thrombosis of femoral artery, 471
  - upper
    - axillary artery aneurysm, 464
    - fractures of radius and ulna, 310
    - embolism of, 464
    - peripheral vascular trauma, 438
    - vascular injuries to, 488

**F**

- Fibrinogen, blood
  - fibrinogen uptake test for venous thrombosis, 119
- Fibrosis, retroperitoneal, longitudinal ureteral split for, 315

- Fistula
  - chylous, 292
  - duodenal, external, 666
  - esophagogastric and esophagogastric pericardial, 203
  - for hemodialysis access, 455
- Fracture
  - Malgaigne's, 589
  - of radius and ulna, 310

**G**

- Gallstones, 524
- Gastrectomy
  - fiberoptic endoscopy after, 287
  - disorders, jejunal loop in treating, 101
  - complications of, postoperative alkaline gastritis and esophagitis, 670, 678
  - endoscopy after
    - gastrectomy, 287
    - use of metoclopramide
      - in patients with delayed gastric emptying following, 40
- Gastroenteritis, eosinophilic, 512
- Gastrointestinal tract
  - granulomas of, 512
  - hemorrhage of, 217
  - neural influences on, 621
  - plasmacytoma of, 528
- Gastrointestinal surgery, 92, 101, 229, 251, 283, 287, 389
- Gastroschisis see congenital disorders
- Georgia, Medical College of, see May issue
- Geriatrics, splenectomy, elective, in, 195
- Glands
  - Brunner's, 246
  - pituitary, rat, 351
- Glucose, plasma, contribution of, to hyperosmolality of hypovolemia, 1
- Grafts
  - ao. tic-bifemoral, 497
  - polytetrafluoroethylene, for hemodialysis access, 455
- Granulomas, 512
- Group counseling, for jejunoileal bypass patients, 534
- Gunshot wounds see abdominal injuries
- Gut, short, experimental, 778
- Gynecologic disorders see endometriosis
- Gynecologic surgery, 403, 421

**H**

- Head and neck surgery, 336, 601
- Heart, pericarditis of, 573
- Heart surgery, 60, 65, 372
- Hemodialysis access
  - femorosaphenous shunts for, 565
  - polytetrafluoroethylene grafts for, 455, 817
- Hemorrhage
  - blood amino acid concentration after, 787
  - control of, by an anti-shock device, 20
  - gastrointestinal, 217, 545, 678

- hyperosmotic response to, 1
  - traumatic, from aortic arch, 298
  - use of steroids to treat, 30
  - Hemorrhoids, 424
  - Hernia
    - diaphragmatic, 460, 610
    - reduction of, 627
    - scrotal, giant, containing stomach, 473
    - spigelian, 596
  - Hirschsprung's disease, 283, 826
  - Histamine, role of, in septic shock, 12
  - Hormones
    - insulin, 811
    - of the pituitary, 351
    - vasopressin, 545
  - Hospital, community
    - abdominal aortic resection in, 377
    - abdominoperineal resection in, 505
    - colonoscopy in, 483
    - coronary artery bypass in, 372
  - Host responsiveness see immunity
  - Hyperalimentation
    - insulin kinetics in, 811
    - protein-sparing effect of amino acids, 562
    - pump-tube feeding of the malnourished patient with isocal, 6
  - Hypercalcemia, 538
  - Hyperosmolality, of hypovolemia, 1
  - Hyperparathyroidism, 538
  - Hypersplenism, 195
  - Hypothermia, aortic arch repair under, 298
  - Hypotension, treatment in trauma
    - by an anti-shock device, 20
  - Hypovolemia, 1
- I**
- Iatrogenic injuries
    - causing chylothorax, 292
    - esophageal during operations for reflux, 203
    - spleen, operative trauma to, 200
    - tracheal, in children, 108
  - Ileum
    - granulomas of, 512
    - loop diversion of, Pyrah technique for, 320
    - tumors of, 445
  - Immunity, alterations in, in prostatic cancer following cryosurgery or transurethral resection, 144
  - Infants
    - enterocolitis, acute necrotizing, in, 392
    - Hirschsprung's disease, modified Duhamel operation for, 293
  - Infection
    - aortofemoral prosthesis, of, 65
    - postoperative use of cotton gown in operating room in combating, 52
  - Instruments and apparatus
    - cardiac pacemaker, 131
    - clip
      - silver, 407
    - Teflon, to prevent pulmonary embolism, 269
    - cyanoacrylate sealant for pancreatic biopsy, 807
    - polytetrafluoroethylene grafts, 455
    - pump-tube feeding with isocal, 6
    - trouser device to reverse pretreatment hypotension and control hemorrhage in trauma patients, 20
    - tubes, tracheal, for children, 108
  - Insulin, kinetics of, in hyperalimentation and intravenous therapy, 811
  - Intestinal surgery, 45, 175, 778
  - Intestines
    - anastomoses
      - disruption of, 45
      - mucosal factor in, 55
    - colon, stercoraceous perforation of, 175
    - diseases of, 137
    - jejunal bypass for obesity, 389
    - jejunal loop interposition, 101
    - tumors of, malignant, 445
  - Intubation
    - pump-tube feeding of the malnourished patient with Isocal, 6
    - tracheal injuries in children, 108
  - Intussusception, 528
  - Ischemia, 464, 579
  - Isocal, 6
- J**
- Jejunum
    - loop of, for postgastrectomy disorders, 101
    - resection, bypass and Vibramycin therapy, 778
    - tumors of, 445
- K**
- Kidney
    - ectopic, 123
    - hemodialysis access, 455, 565
    - horseshoe, with abdominal aortic aneurysm, 531
    - renal pressor system, 771
    - transplantation, renal artery occlusion in, 186
    - transplants at Medical College of Georgia 1968-1976, 259
- L**
- Labor, appendicitis in, 395
  - Laminectomy, 631
  - Lavage and paracentesis, in abdominal injuries, 164
  - Leg see extremities
  - Ligation, venous, 283
  - Liver
    - alterations in, after experimental short gut, 778
    - cirrhosis of, 520
    - wounds of, 635
    - cancer of
      - diagnosed
        - with sputum cytology, 538
        - mediastinal biopsy for, 74
      - disease, mediastinoscopy in diagnosing, 386

- pulmonary paraganglioma, 689
- ventilatory responses to threshold loaded respiration, 554
- Lymphoma, 445

**M**

- Mediastinoscopy, 386
- Mediastinum, 74, 386, 477
- Medical education see education
- Melanoma, malignant, 77
- Metoclopramide, to treat delayed gastric emptying, 40
- Microcirculation, 342
- Minocycline, in surgical infections, 413
- Monitoring of pulmonary arterial wedge pressure, in critical care, 342
- Mucosa, intestinal, in anastomoses, 55

**N**

- Neoplasms
  - adrenal cortical tumor, 125
  - chordoma, 631
  - chemodectoma, 151
  - desmoid tumor, 613
  - granulomas, eosinophilic, 512
  - intestinal tumors, 445
  - melanoma, 77
  - plasmacytoma, 528
  - paraganglioma, pulmonary, 689
  - splenic cyst, 171
  - thymolipoma, 477
  - transvesical adenoma, 330
- Neural system, effect on gastrointestinal function, 621
- Nerves see neural system
- New Jersey School of Medicine, College of Medicine and Dentistry, September issue from, 543
- Nutrition see hyperalimentation

**O**

- Obesity, morbid
  - complications of bypass for, 467
  - group counseling for bypass patients, 534
  - jejunoileal bypass for, 389
- Omphalocele see Congenital disorders
- Operating room, use of cotton gown against contamination of, 52
- Operations
  - Duhamel, 283
  - Ripstein, 97
- Orchidectomy, 473
- Orthopedic conditions, 589
- Osteochondroma, 471

**P**

- Pacemaker, cardiac, 131
- Pancreas
  - biopsy of, 807

- cancer of, 410, 660
- cysts, dermoid, of, 503
- hemorrhagic pancreatitis, experimental, 802
- Paracentesis and lavage, in abdominal injuries, 164
- Paraganglioma, pulmonary, 689
- Parathyroid, hypercalcemia in hyperparathyroidism, 538
- Pediatrics
  - chylothorax, 292
  - diaphragmatic hernia repair, 610
  - enterocolitis, acute necrotizing, in neonates, 392
  - Hirschsprung's disease, 283, 826
  - hypertension in children, 771
  - thyroid cancer in children, 159
  - tracheal injuries, 108
  - umbilical anomalies, 177
- Percarditis, acute, 573
- Percardium, 573
- Pilonidal cysts
  - infected, one-stage
    - cure of, 517
  - closure, primary, in
    - cystectomy, 214
- Pituitary, rat, effect of steroids on, 351
- Plasmacytoma, 528
- Pleura, chylothorax of, 292
- Pleural cavity, 460
- Pneumatosis cystoides intestinalis following intestinal bypass, 467
- Polyps, of gastrointestinal tract, 512
- Polytetrafluoroethylene grafts, 817
- Popliteal artery, 434, 579
- Postgastrectomy disorders, 40, 101
- Pregnancy, appendicitis in, 395
- Residential address
  - commercialism, consumerism, capitalism and care of the acutely ill surgical patient, 366
- Pressor system, renal, 771
- Prolapse, rectal, 97
- Proctologic surgery, 97, 424, 505
- Proctopexy, transabdominal, 97
- Prophylaxis, surgical, 52, 413
- Prostate
  - cancer of, 144
  - adenomectomy of, 330
- Prostatic surgery, 330
- Prostheses
  - aortic, 65, 497
  - polytetrafluoroethylene, for hemodialysis access, 455
  - prestrung valves, 129
- Protein, sparing of, by amino acids, in parenteral nutrition, 562
- Psychotherapy, group counseling for jejunoileal bypass patients, 534
- Puerperium
  - appendicitis in, 395
- Pulmonary embolism, use of Teflon clip to prevent, 269
- Pulmonary function see respiration
- Pyrah technique, 320

## R

- Radiation therapy
  - complications in operation following, 234
  - for breast cancer, 86
  - in previously irradiated abdominopelvic cavity, 234
- Radius, fractures of, 310
- Reactions, adverse, to cefazolin, 417
- Rectum, cancer of, 505
- Rectal surgery, 97, 505
- Renal transplantation see transplantation
- Residency, surgical, 255, 363
- Respiration, threshold loaded, ventilatory responses to, 554
- Retroperitoneal fibrosis, 315
- Ripstein procedure, 97
- Rupture see hernia, diaphragmatic

## S

- Saphenous vein, used in hemodialysis shunt, 565
- Sarcoma, 445
- Scan, arterial, to detect arterial ulcers, 242
- Scrotum, hernia of, 473
- Shock
  - hemorrhagic,
    - hyperosmotic response to, 1
  - hemorrhagic
    - steroids in treating, 30
  - septic
    - histamine and sympathetic blockage in, 12
- Short gut, experimental, 778
- Shunts
  - femorosaphenous, for hemodialysis access, 565
- Special issues
  - Medical College of Georgia (May)
  - New Jersey College of Medicine (Sept)
- Spigelian hernia, 596
- Spinal surgery, 631
- Spleen
  - cyst of, 171
  - operative trauma to, 195
  - splenectomy, in geriatrics, 195
- Stab wounds see abdominal injuries
- Staging, clinical, of melanoma, 77
- Steroids
  - effect of rat pituitary, 351
  - in treating hemorrhagic shock, 30
- Stomach
  - antrum and corpus, determining the boundary between, 251
  - contained in giant scrotal hernia, 473
  - rupture of, 229
- Subclavian steal syndrome, 220
- Surgical infections, use of minocycline in, 413
- Surgical techniques
  - abdominoperineal resection, 505
  - affecting wound healing, 683
  - anastomoses, 45, 55

- aortic-bifemoral graft failures, 497
- cardiac valve replacement, 129
- treating, compartment syndromes of leg, 303
- coronary artery, 60
- cryosurgery for prostatic cancer, 144
- Duhamel operation for Hirschsprung's disease, 283
- esophagogastrectomy, 92
- femoral profundoplasty, 211
- hemodialysis access
  - external hemorosaphenous shunt for, 565
  - polytetrafluoroethylene graft, 817
- hernia reduction, 627
- hypothermia and circulatory arrest for aortic artery repair, 298
- jejunal loop interposition, 101
- longitudinal ureteral split for retroperitoneal fibrosis, 315
- pilonidal cystectomy, 214, 517
- repair of diaphragmatic hernia, 460
- stercoraceous perforation of colon, repair of, 175
- subfascial ligation of perforating leg veins, 279
- Teflon clip to prevent pulmonary embolism, 269
- tracheostomy in children, 108
- Sympathetic nervous system, role in septic shock, 12
- Syndromes
  - compartment, in leg, 303
  - dumping, 101
  - nevroid basal cell carcinoma, 617
  - postgastrectomy, 287
  - proctopexy, 97
  - subclavian steal, 220

## T

- Teflon clip, 269
- Tests, fibrinogen uptake, for venous thrombosis, 119
- Thoracic cavity, chylothorax, 292
- Thoracic surgery, 203, 386, 477
- Thorax
  - chordoma, removal by staged laminectomy and thoracotomy, 631
- Thrombosis
  - of prosthetic aortic-femoral grafts, 497
  - venous, 123
- Thromboembolism see pulmonary embolism
- Thymolipoma, 477
- Thyroid,
  - cancer, 159, 601
  - surgery, 159
- "To care for him who shall have borne the battle," introduction to Medical College of Georgia issue (May), 255
- TPN see intravenous therapy
- Trachea, injuries of, in children, 108
- Transfusion, autologous, 794
- Transplantation, renal

- at Medical College of Georgia 1968-1976, 259
- renal artery occlusion in, 186
- Transurethral resection for prostatic cancer, alterations in host responsiveness following, 144

**Trauma**

- abdominal injuries, 164
- causing diaphragmatic hernia, 460
- causing splenic cyst, 171
- gastric rupture from, 229
- leading to thrombosis of femoral artery, 471
- peripheral vascular, 438
- to aortic arch, 299
- to liver and juxtahepatic veins, 635
- to popliteal artery, 434
- tracheal, in children, 108
- treatment device (military anti-shock trouser), 20
- vascular injury, to extremities, 488
- wound complications, 682

**Tubes**

- pump-tube feeding of the malnourished patient with Isocal, 6
- tracheal, in children, 108

**Tumors**

- adrenal cortical, 125
- anal and perianal, 424
- chemodectoma, 151
- chordoma, 631
- desmoid, giant recurrent, 613

- intestinal, 445
- melanoma, 77
- paraganglioma, pulmonary, 689

**U**

- Ulcers, arterial, shallow, 242
- Ulna, fractures of, 310
- Umbilicus, congenital anomalies of, 177
- Ureteroileostomy, 320
- Ureters, retroperitoneal fibrosis of, 315
- Urethra, transurethral resection, for prostatic cancer, 144
- Urologic surgery, 315, 320, 330
- Uterus, endometriosis of, 421

**V**

- Valve, cardiac, prestrung prosthetic, 129
- Vascular disease, atherosclerosis obliterans in healthy young adults, 208
- Vascular surgery, 65, 211, 277, 279, 303, 377, 382, 407, 434, 438, 464, 471, 488, 497, 531
- Vasopressin, study of, for gastrointestinal hemorrhage, 545
- Veins, juxtahepatic, trauma to, 635
- Vena cava, interruption with Teflon clip to prevent pulmonary embolism, 277
- Venous thrombosis, 119
- Vibramycin, used after jejunal resection, 778
